DESCRIPTION

This bill allows the board of the County Employees' Retirement System to determine if an additional benefit or enhancement improving the quality of life of future retirees is actuarially feasible. Benefit adjustments cannot be made until the retirement plan is 75% funded. Adjustments cannot be made more than once every 12 months and cannot increase the contribution rate by more than 1%. Adjustments, other than cost-of-living increases, will apply only to active employees.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
